

10/14/19

STEAM Advisory Board Meeting Minutes

- Spigner spoke about previous STEAM Advisory Board meetings
- Discussion on Advisory Boards Goals(career centered)-will create and send out for changes/updates/thoughts/comments
- Discussion about social media and sharing all of our good news-encouraged to join Facebook, Twitter, and Instagram
- Discussed the last 4 years and tweaking our passion projects, arts enrichment, teacher PDs, incorporating more field trips and experiences, adding STEM lab into RA rotations, trying to improve the school overall moving our teaching and students to the 21st century
- STEAM accreditation process and where we are in the process
- Elma Strong, Trevor Ivey, and Lori Smith did a mock interview to help us in areas of improvement
- Need to score 2.8 or higher for accreditation
- Reviewed ADE website
- Watched some Seesaw evidence
- STEAM Advisory meetings / 1 meeting per quarter
