Home Language Survey (HLS)

The Civil Rights Act of 1964, Title VI, Language Minority Compliance Procedures, requires school districts and charter schools to determine the language(s) spoken in each student's home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students as outlined in Plyer v. Doe, 457 U.S. 202 (1982).

The purpose of this survey is to determine the primary or home language of the student. This survey is given to all students enrolled in the school district/charter school. The HLS is administered once, upon initial enrollment in South Carolina, and should remain in the student's permanent record.

If a language other than English is recorded for ANY of the survey questions below, the appropriate identification screening assessment will be administered to determine whether or not the student qualifies for additional English language development support.

Please answer the following questions:

1. What is the language that the **student** first acquired? _____
2. What language(s) is spoken most often by the **student**? _____
3. What is the **primary language used in the home**, regardless of the language spoken by the student?

- *4. In what language do you wish to have communication from the school? _____

Student Name: _____ **Grade:** _____

Parent/Guardian Name: _____

Parent/Guardian Signature: _____ **Date:** _____

Your signature above certifies that you understand if a language other than English has been identified, your student will be tested to determine if they qualify for English language development services, to help them become fluent in English. If entered into the English language development program, your student will be entitled to services as an English learner and will be tested annually to determine their English language proficiency.
